Shubham Sharma

Full Stack Developer | ## React JS | ## Next JS | Node | # JavaScript | UI/UX | React Native
Alwar, Rajasthan, India

Summary

With two years of experience in the IT field, my journey began in a manufacturing-based company where I gained valuable technical skills. This included proficiency in Python, data analysis, HTML, CSS, and JavaScript.
Afterwards, I transitioned into data analysis, delving into the intricacies of extracting insights from complex datasets. However, my interest in both frontend and backend development led me to take on roles as a frontend and UX/UI developer.
Eager to expand my skill set further, I dedicated time to understanding backend programming languages like Node.js and Django. Presently, I'm thriving as a Full Stack Developer at ScaleEdge Solution Limited, seamlessly integrating both frontend and backend expertise. This journey underscores my dedication to innovation and pursuit of excellence.

Experience

ScaleEdge Solutions
Web Full Stack Developer
April 2023 - Present (1 year 7 months)
Alwar, Rajasthan, India

I am incredibly grateful for the opportunity to work in this role, as it allows me to apply my strong expertise in both oFrontend and Backend development. In the realm of Backend, I have brushing my skills using Django, a powerful Python framework that enables me to create robust and scalable web applications. On the Frontend side, I am proficient in HTML, CSS, and JavaScript, allowing me to craft engaging and user-friendly interfaces.

OneKlick Techno Renewable Pvt. Ltd.
Data Analyst
January 2023 - April 2023 (4 months)
Alwar, Rajasthan, India

As a data analyst, I am a master at navigating vast volumes of data and meticulously cleaning it to align with our business objectives. Through data-driven decision-making, I adeptly tackle intricate challenges, unraveling complex problems to unearth valuable insights that, in turn, empower our sales team to propel their revenue to new heights.

Hero MotoCorp
Remote Support Engineer
February 2022 - December 2022 (11 months)
Gujarat, India
